1. INTRODUCTION

- 1.1. The Engineering & Design Institute London (TEDI-London) is committed to a fair and transparent policy in respect of the fees and charges it expects students to pay. The Student Fees Policy forms part of TEDI-London's Terms & Conditions and should be read in conjunction with them. Together they provide a framework for the setting, payment, collection, and reconciliation of student fees.
- 1.2. **Student Fees** are defined as any charges for tuition (referred to as a Tuition Fee in paragraph 1.3), retaking modules or years (the cost of re-sits are included in the Tuition Fee), library fines, charges for the non-return of or damage to equipment, field trips, travel costs, printing, fees associated with graduation and unpaid hardship loans (please note this list is not exhaustive).
- 1.3. You will be charged a **Tuition Fee** (also known as Course Fee) for each year of your programme. This fee covers the educational and related services made available to you whilst you study with us, including tuition/ supervisory services, access to learning/ technical resources, assessment of submitted work, the cost of re-sits, the use of special equipment, consumables/materials and facilities, support/ welfare provision and affiliate membership of the King's College London Students' Union.
- 1.4. This Policy outlines how TEDI-London's fees are determined and charged and outlines what happens if fees are not paid. It signposts sources of support for students experiencing difficulties with payment of fees.
- 1.5. This Policy applies to all prospective and continuing Higher Education students.
- 1.6. Terms of a significant nature have been marked as **bold** in this document.

- They were living in the EEA or Switzerland on 31 December 2020 and either:
 - Lived in England immediately before moving there or moved back immediately after living there and they lived in the EEA, Switzerland, the UK or Gibraltar for at least the last 3 years before starting a course in the UK
 - Or, they did not live in the UK immediately before living there, and have lived in the EEA, Switzerland, the UK or Gibraltar for at least 3 years before starting a course in England

- 2.12. **Interruption of study:** An interruption of study is where, with our prior agreement, you take a formal break from study for a specific period of time with the intention to resume study at a future date. Please note that the Student Loans Company will refer to a break in study as a suspension of study.

- 2.13. **Suspension of study:** A period of time during which we temporarily pause your studies pending the outcome of a disciplinary hearing related to an allegation of serious misconduct. Suspension is a neutral act, but restrictions may apply, e.g. access to the campus may not be permitted and IT facilities may be withdrawn.
- 2.14. **Withdrawal by TEDI-London:** This is a disciplinary sanction which, where applied, results in a student being permanently removed from their course at TEDI-London and the cancellation of the contract between the student and TEDI-London.

3. TUITION FEES

- 3.1. Tuition Fees will be charged relative to a student's fee status at the point of enrolment and will continue to be charged at that rate for the duration of the academic year.
- 3.2. Tuition Fees are not discounted if you start your programme after the published start date.
- 3.3. Where admission onto our programmes outside of the normal cycle has been allowed in line with our Admissions Policy, tuition fees will be determined on a case-by-case basis.
- 3.4. Tuition Fees are not waived or reduced for any period during which you are suspended pending a disciplinary hearing.

Home students

- 3.5. **The UK Government regulates the maximum Tuition Fee chargeable. A tuition fee increase for a returning or continuing undergraduate Home student shall not exceed a 10% (ten percent) increase on the total Programme tuition fees set out in the offer letter, subject at all times to the tuition fees not exceeding any cap imposed by Government from time to time.**
- 3.5.1. The current maximum fee level for UG home students on a standard degree programme at providers without a TEF award is £9,275 starting in 2025/26 academic year, all TEDI-London students will be charged this for 2025/26 academic year. Fees for future years may be subject to increase.
- 3.6. These Tuition Fees will apply to all Home students regardless of the source of their funding.

- 3.7. The Home rate applies to students from England, Wales, Scotland, Northern Ireland, Ireland and the Channel Islands, the Isle of Man and UK Nationals that are eligible to conditions in section 2.4.

International students

- 3.8. TEDI-London sets all other Tuition Fees which are part of the course chosen; details can be found [here](#). These Tuition Fees are reviewed annually. Please note that a tuition fee increase for returning or current International students shall not exceed a 10% (ten percent) increase on the total Programme tuition fee set out in the Offer letter.
- 3.9. If you take longer than scheduled to complete your programme (e.g. because you have to retake a year) you must pay the applicable Tuition Fees (with provision for increases) for each further year of study.
- 3.10. TEDI-London will review the Tuition Fees liability of students whose registered status changes during the academic session, for example in the case of a student who moves from full-time to part-time study. In such cases, the Tuition Fee liability will generally be determined by the date on which the change of status is affected.

Setting and publishing of Tuition Fees

- 3.11. Home Tuition Fees will be published by 30 September each year, for students registering the following September, unless otherwise determined by the Government.
- 3.12. International and all other non-regulated Tuition Fees will be set by 30 August each year, for students registering for the following September. The Tuition Fees for all years of the programme will be defined at this point.

Other fees

- 3.13. TEDI-London does not charge additional fees to cover part or all the cost of special equipment, consumables, or facilities over and above the Tuition Fee.
- 3.14. There are a number of extra costs arising from higher education studies that you will need to allow for when planning your budget. For example:
- The cost of accommodation if you are living away from home. TEDI-London does not currently operate its own accommodation for students.
 - Travel to / from campus.

- Laptops, study texts and reference books
- Possible study abroad (third year project)

4. DETERMINATION OF FEE STATUS

- 4.1. All prospective students joining TEDI-London must provide all necessary fee assessment information requested to the Admissions Team to enable your fee assessment to take place prior to the start of your programme. TEDI-London adheres to the guidelines as set out by the UK Council for International Student Affairs (UKCISA). Please refer to the [UKCISA website](#) for the rules and procedures regarding Tuition Fee status.
- 4.2. Except for specific cases, as defined by UKCISA, Tuition Fees will be charged relative to your fee status at the point of enrolment and will continue to be charged at that rate for the duration of the academic year.
- 4.3. If you wish to dispute your fee status included in the offer letter as part of the application process, you should use the admissions appeals process outlined in the Admissions Policy.
- 4.4. At your request, your fee status can be reviewed at the start of each academic year. You should provide the required documentation by 1st September. If you wish to dispute the reconsidered fee status, you should write to the Student Hub at studenthub@tedi-london.ac.uk.

5. ENROLMENT

- 5.1. In order to become a fully enrolled student at TEDI-London, you must complete all the necessary academic and enrolment requirements and make arrangements to pay all Student Fees as directed by TEDI-London in the following sections.
- 5.2. TEDI-London allows self-funded students to pay their Tuition Fees in set instalments as detailed in section 6 below. For the purposes of these regulations 'self-funded students' are defined as students not applying for a Government Tuition Fee loan through the Government.
- 5.3. Enrolment will not be complete until payment details have been provided. Failure to complete the enrolment process will result in your application to TEDI-London being delayed and possibly terminated.

- 5.4. Home applicants and continuing students who have applied for a Government Tuition Fee Loan to cover the cost of their Tuition Fees will receive written confirmation of their entitlement from their loan provider. Prospective students in receipt of a government loan will be required to provide their Student Support Number (SSN) or Customer Reference Number (CRN) during the enrolment process. Failure to complete the enrolment process will result in your application to TEDI-London being delayed and possibly terminated.
- 5.5. TEDI-London reserves the right to decide which organisations or companies will be accepted as an approved sponsor. For the purposes of this document loans provided by the Student Loan Company, Student Finance Wales and the Student Awards Agency for Scotland are classified as 'Government Tuition Fee Loans'.

6. PAYMENT OF TUITION FEES

- 6.1. Before registering at TEDI-London we should put in place arrangements to ensure that you have sufficient funds to cover your studies and any associated costs.

Self-Funded students

- 6.2. Students who are funding their own Tuition Fees may pay either pay in full or in three equal instalments on the designated dates set out below.
- 6.3. For courses commencing September 2026 and studying throughout the full academic year the designated payment dates for 2025/26 due for the first term by the end of the second academic week (14-day statutory 'cooling off' period), and for term 2 and 3 before the start of each term, which are:

Instalment 1	Due by Friday 3 October 2025
Instalment 2	Due by Friday 2 January 2026
Instalment 3	Due by Friday 10 April 2026

- 6.4. Any alterations to the instalment plan set out in paragraph 6.3. can only be made with the written agreement from the Finance Team via: finance@tedi-london.ac.uk. Should a prospective student or a continuing student be considered by TEDI-London as having extenuating circumstances, the Finance Team (finance@tedi-london.ac.uk) may agree for the Tuition Fees to be paid on dates other than those specified above. In this instance, TEDI-London reserves the right to request that evidence is provided

to support this. Any agreement to alter the instalments entered into by TEDI-London will be subject to periodic review.

- 6.5. Payment must be in British pounds sterling and can be made by debit/ credit card via the secure TEDI-London Flywire link: <https://tedi.flywire.com>. TEDI-London does not accept payments by direct bank transfer, cheque or cash.
- 6.6. Those students who would normally be eligible for a Government loan but who opt to pay Tuition Fees as a Self-Funded Student and subsequently fall behind on their instalment payment of Tuition Fees, will normally be expected to transfer to the deferred Government Loan scheme and request a loan from the Student Loan Company (SLC) or the regional equivalent to cover the outstanding balance. In this situation whilst course fees remain unpaid the student studied will be paused and campus admission temporary taken away.

Students who apply for a government loan

- 6.7. Students will usually be given a Student Support Number ("SSN") or Customer Reference Number ("CRN"). Where approval has been given for a Government Tuition Fee Loan TEDI-London will not invoice you but will engage directly with the government loan provider.
- 6.8. You will have a separate contract with the government loan provider which is your responsibility to fulfil.
- 6.9. Where you have not yet received a decision from the appropriate student finance provider as to whether you are eligible for a Government Tuition Fee loan, you will normally be permitted to enrol as set out in paragraphs 5.2 and 5.3.
- 6.10. Should the student finance provider advise you that you are not eligible for support or that your application is still being assessed, the student fee liability will be transferred to you and will be subject to the self-funded obligations in paragraphs 5.2 to 5.5. The procedure and sanctions for the non-payment of Tuition Fees are detailed in section 8.
- 6.11. If you wish to switch programmes, this will need to be agreed both by TEDI-London and the government loan provider.

- 6.12. If you are transferring from another institution and have a Government Tuition Fee loan, you must provide TEDI-London with a copy of your Student Finance entitlement letter.
- 6.13. You cannot switch mode of study, for example, to an accelerated degree, after the first liability date (a student loan has 3 liability periods during the academic year. The first liability period is after week 2 of teaching on the student's programme).

Students who are funded by an approved sponsor

- 6.14. If your Tuition Fees are to be paid by an approved sponsor such as an employer, it is your responsibility to ensure that the Tuition Fees are paid by your sponsor.
- 6.15. Information which must be provided to enable TEDI-London to invoice the sponsor correctly is set out below:
- (a) an official letter of sponsorship on the organisation's headed paper signed by an authorised signatory of the sponsor;
 - (b) the invoice address, contact details and name of the official contact at the sponsor; and
 - (c) your full name and the total amount of the sponsorship.
- 6.16. TEDI-London will invoice the sponsor directly and payment must be made in full in line with the payment terms (30 days) set out on the invoice. The option of paying by instalments is not available to sponsors. Parents, family members or friends are not classed as sponsors.
- 6.17. **Should the sponsor default on payments or withdraw funding, the liability will be transferred to you and responsibility will fall upon the you to clear any overdue balance in full. TEDI-London's Student Hub will assist in facilitating financial advice and providing non-financial support whilst you make acceptable arrangements to pay any outstanding Tuition Fees.**

International Student Payments

- 6.18. All international students who require a Student Route visa to study in the UK and are looking to study at TEDI-London will be required to pay a non-refundable deposit to secure a place on their programme and to obtain a Confirmation of Acceptance ("CAS").

- 6.19. At TEDI-London's sole discretion, certain students will be exempt from having to pay the deposit, for example students from the United States of America who have approved Veterans Affairs Financial Aid and students fully funded by an official governmental body, the British Council or any international organisation, international company, university or a UK independent school.
- 6.20. **The amount of deposit payable, along with payment instructions, will be confirmed to you in your offer letter from TEDI-London. The minimum deposit payable for the academic year 2025/26 is £4,000 (four thousand British pounds sterling).**
- 6.21. Deposit payments made to TEDI-London will be deducted from your total annual Tuition Fee liability as set out in the offer letter. Where payment of Tuition Fees by instalments is selected, the balance of the total annual Tuition Fee (after deduction of the deposit) will be split into 3 equal instalments for the first term due by the end of the second academic week (14-day statutory 'cooling off' period), and for term 2 and 3 before the start of each term, which dates are;

Instalment 1	Due by Friday 3 October 2025
Instalment 2	Due by Friday 2 January 2026
Instalment 3	Due by Friday 10 April 2026

- 6.22. Deposits are non-refundable except under the circumstances outlined in this document.
- 6.23. If you wish to switch programmes, this will require approval by TEDI-London. You may also need to seek UKVI approval for this as part of the conditions of your VISA. You will be asked to demonstrate the outcome of this as part of your request to TEDI-London.

7. WITHDRAWALS AND INTERRUPTIONS OF STUDY

- 7.1. In addition to the 14-day statutory 'cooling off' period, if you choose not to continue your studies within the first 14 calendar days of the start date of the programme you will not be charged tuition fees for this period of enrolment. Non-refundable deposits will not be returned.

- 7.2. If you withdraw or are withdrawn from your programme, your final date of study will be determined as the date recorded on the relevant form in the Student Records System (this must be confirmed by the relevant academic lead and Education team) and fees will be calculated on the basis set out in the table at 8.5 below.
- 7.3. If you are returning from a leave of absence (but are not required to repeat any of your modules), you will return on the fees (subject to any inflationary increases applicable depending on which fee regime applies) of the cohort of students that you re-join. A new fees schedule will be sent to you in advance of your return to studies.
- 7.4. If you request deferred entry, the initial offer letter will describe the fees for direct entry. You will then be sent a new offer letter which will contain the fees for that year. These fees may be higher than the previous year, depending on which fee regime applies (e.g., home or international).
- 7.5. Study can only be continued once all outstanding course fees are up to date and have been paid.

- 7.8. International students that receive Tuition Fees funding via Veterans Affairs Financial Aid (VA) will be refunded in line with the VA refund policy, i.e. refund prorated for fees charged to match percentage of course attended before withdrawing. E.g. if student attends 35% of the course then 35% of Tuition fees are owed and any over payment for this will be refunded.

Repeating/ retaking modules

- 7.9. **If you fail a module at the first attempt, you may be reassessed in that module without any additional charge. However, if you fail the reassessment, you will be required to pay the proportion of the Tuition Fee for the module you retake which is applicable at the time of the retake. This applies to all students.**
- 7.10. No fee discounts, bursaries or scholarships are available for repeats or retakes.

Your account may be referred to a debt collection agency after this process has been exhausted and this may result in legal action being taken against you.**
